

Table of Fees for Services

Below is our table of fees for services as required by Massachusetts regulation. The fees below may not apply to all clients. The fees below will only apply to you when you request the service(s) listed. Carefully read Items 4 and 5 of our Brochure (Part 2A of Form ADV), as these sections of the Brochure contain important details about Garrison Financial's advisory services and fees. Different fees may represent alternative payment options for similar services or combinations of services. Talk with Garrison Financial about what services are appropriate for you and the fees that will apply. Fees for all services are negotiable based upon certain criteria (e.g., anticipated future earning capacity and assets, net worth, related accounts, account composition.)
